

Geagte Ouers

Sport

Ons bied hierdie naweek die Strelitzia-dag aan, met rugby, netbal en hokkie vir die jongspan, van 08:00 tot net ná 11:00. Ongeveer 600 seuns en meisies van 13 skole sal die dag saam met ons geniet.

Kom kyk hoe mamma, pappa, oupa en ouma die jongspan langs die speelveld ondersteun. Wen of verloor is nie ter sake nie – almal is wenners.

Ons is trots op Emma van Baalen, wat by die OP-hokkiespan ingesluit is. Knap gedaan, jong dame! Ons wag nog vir die amptelike netbalspanlys. Ons het skriftelike bevestiging nodig om foute van die verlede te voorkom. Ons weet ons meisies het goed gevaar en ons sal die resultate bekend maak sodra ons skriftelike bevestiging ontvang.

Ons is so trots op Christiaan Barnard en Hanno Winter, wat by die OP O/13-Cravenweekspan ingesluit is, asook Byron Birkholtz en Ruan Jacobs, wat by die OP O/13 - Akademiespan ingesluit is. Knap gedaan, manne, dit is vir **ons 'n eer dat julle ons skool verteenwoordig.**

"Poskantoor"

Ons beleid is duidelik – **ons lewer nie so 'n diens nie. Die verantwoordelikheid om 'n kind af te laai met alle benodigdhede, is ononderhandelbaar.** Hoewel ons verdraagsaamheid getoon het wat kosblikke aanbetref, word dit onge-lukkig oudergewoonte dikwels misbruik en met meer as eenduisend leerders oorskry dit redelike perke.

Graad 1 2025

Ná gesprekke met nuwe ouers en nadat ons na vrae en menings geluister het, is die pad vorentoe baie duidelik. Ons slagspreuk moet wees om ons waardes en morele beginsels te handhaaf. Baie dankie aan daardie ouers wat ons ondersteun en met ons saamwerk om die toekoms van ons kinders te verseker.

Die nalatenskap wat ons al die afgelope 11 jaar met die ontwikkeling van ons fasiliteite en bronne gevestig het, word raakgesien en ons moet daarna streef om te verseker dat die skool die toekoms aangryp en uitdagings die hoof bied. U ondersteuning is uiters belangrik in die jare wat voorlê, soos Sunridge vorentoe beweeg en diens bo die normale lewer.

Dear Parents

Sport

We are hosting our Strelitzia Day this weekend with rugby, netball and hockey for our young teams from 08:00 until just after 11:00. About six hundred boys and girls from 13 schools will enjoy the day with us.

Come and watch how mom, dad, granny and grandpa support these young teams next to the playing fields. Winning or losing is not important - they are all winners.

We are proud of Emma van Baalen who has been selected for the EP hockey team - well done young lady. We are still waiting for the official netball team list - we await written confirmation so as to avoid past mistakes. We know our girls have done very well and will announce the results as soon as possible.

We are very proud of Christiaan Barnard and Hanno Winter who have been selected for the EP U/ 13 Craven Week team as well as Byron Birkholtz and Ruan Jacobs who have been selected for the EP U/13 Academy team. Well, done boys, what an honour to have you represent our school.

"Post Office"

Our policy is clear - we do not provide such a service. The responsibility to ensure a child is dropped off with everything they need is non-negotiable. Although we tolerate it when it comes to lunch boxes this age old habit is again often being misused and with over a thousand learners it exceeds reasonable limits.

Grade 1 2025

After meeting new parents and listening to their questions and opinions, the way forward is very clear. We cannot become part of mediocrity and our motto should be to uphold our values and moral principles. Thank you to those parents who support and work with us to ensure the future of our children.

The legacy we have built over the past 11 years with the development of our facilities and resources, is now being recognized and we must strive to ensure that the school embraces the future and overcomes any challenges. Your support is vital in the years to come as Sunridge moves forward and delivers a service beyond the norm.

Early Life: I grew up in Port Elizabeth in a closely knitted family of four. I attended Sunridge Primary School and thereafter matriculated at Hoërskool Framesby

Family Life: I grew up in a closely knitted family, being the youngest of two. My sister is also a teacher but for high school students. In 2021 I got married to the love of my life, Tarien. We are currently dog-parents to our cocker spaniel girl, Ruby, she is like a child to us!

Career Life: After matriculating at Hoërskool Framesby, I started studying towards my Bed Degree in Education. I started working at Sunridge Primary early in 2017 and haven't looked back since. I have taught different grades and subjects throughout the past years but I really enjoy where I am currently, at the Grade 4's.

Accomplishments: I have to say that my biggest accomplishment to this day has to be playing in front of 30 000 people at a well-known music festival back in 2019. Besides that being married to my best friend is the best thing that could have ever happened to me.

Interesting facts about yourself: I have played the bass guitar for the past 13 years, playing at numerous venues, festivals and churches and even sharing the stage with my lovely wife. I also love everything to do with sound, from live sound and media, to recording and stage sound.

Early Life: I went to school at Riebeek College Girls' School in Uitenhage. After matriculating, I did a gap year on Kibbutz Yiftah in Israel with my best friend. Two years later, I was presented with an opportunity to be an au pair in America to 3 children, twin girls and an older brother, who was autistic.

Family Life: Living life with my husband for 22 years and we have two daughters. I have an older sister living in Cape Town.

Career Life: Upon my return from America, I did various administrative courses and a computer course for Future-kids. That position placed me in two primary schools for a few years, thereafter I decided I wanted to become an Intermediate Phase teacher.

Accomplishments: My teaching studies, while working full time, and being full time mom with two daughters, who were aged 2 and 6 at the start of my education journey. It was very hard but worth it. I graduated with distinction. Anything is possible, no matter your age, if you set your mind to it.
