Dear Parents

Safety and Security

Children and parents must take the responsibility to pack in and bring what is needed for school, to school. Make sure your child has everything with him/her and if it is forgotten or left at home, he or she will be required to go without it for the day. We do not provide the service to accept delivery or to deliver forgotten items.

The clothing or equipment needed for after school can be handed to the child after school. This responsibility and skill needs to be established from a young age and although it sounds harsh it is essential and important.

We have valid reasons. This policy supports safety and the well being of our children while establishing responsibility and preventing a common trend which has caused many problems in the past.

Support: Extra Mural Activities

As previously communicated, Sunridge will not offer bursaries to or buy players in to strengthen our teams or cultural and academic divisions. We coach and teach what is available to us and have been doing this for years. Winning or losing does not make a good school. Values and ethos are the key while providing opportunities and developing children and teachers alike.

I was shocked to see how “recruiters” at primary school activities offer bursaries and who knows what else. Shifting between schools and poaching talent seems to be the norm while passion, commitment, dedication, development, and a love for life seems to be forgotten. Loyalty and honour cannot be bought nor can values and ethical behavior. Surely there is a time, place and reason for offers to the underprivileged or to provide basic opportunities where there is a shortcoming.

We create opportunities and in the coming weeks we will see the mass participation of our youngsters - please do not expect A teams, 1st teams or winning as a key. We will select as many players as possible to participate: we will not load a team or only select the so called best players. For league matches and formal derby days we select A and B sides etc.

From this point of view we have managed to be competitive at u/12A, 13A and 14A levels over the years - more recently the u/9A, 10A and 11A age groups have achieved success as a result of a development strategy. Extra attention at home by mom or dad with the passing of balls, playing of games, singing, running or whatever helps mold a physical and mental enjoyment without pressure.

In some sport and cultural codes we can and may combine age groups and should a skillful young player outgun an under 14 player, so be it. At the end of the day the opportunity exists for everyone to participate. The expectations for A side participation will not always materialize and the only foregone conclusion is our senior teams: the u/14A, 13A and 12A together with the 1st tennis, swimming and athletics teams. These are our flagship teams who represent us on the next and highest level while the others are still being developed and coached.

Do your best - that is always good enough. Winning is not everything nor a cultural skill. Let us keep the high moral ground and support positively. We are working with young children - allow the coach and teacher to coach, apply pressure and take responsibility while we support and enjoy the fact that our children have opportunities and are loved and cared for.

Achieving a hat trick with EP Super 12 Rugby or being crowned number 1 in the metro netball, beating top traditional hockey schools, orators, musicians, instrumental and band standouts - all adds up to a sport and culture system that, has for the past ten years, put us in the competitive environment.

Life is a journey, let us enjoy it!

Sunshine greetings

Geagte Ouers

Veiligheid en Sekuriteit

Kinders en ouers moet verantwoordelikheid aanvaar vir dit wat nodig is vir die skooldag. Maak asseblief seker dat u kind alles saambring wat hy/sy nodig het – as dit by die huis agtergelaat of vergeet word, moet die kind die res van die dag daarsonder **klaarkom. Ons verskaf nie 'n diens om vergete artikels in te neem en af te lewer nie.**

Die klere of sporttoerusting wat ná skool benodig word, kan ná skool by die sportveld afgelewer word. Hierdie verantwoordelikheid en vaardigheid moet vanaf 'n jong ouderdom by kinders opgeskerp word – dit klink hardvoggig, maar dit is belangrik en noodsaaklik.

Ons het geldige redes en hierdie beleid is ingestel ter ondersteuning van die veiligheid en welstand van ons leerders, terwyl **dit 'n verantwoordelike gevoel vestig en 'n algemene tendens, wat in die verlede talle probleme veroorsaak het, voorkom.**

Ondersteuning: Buitemuurse Aktiwiteite

Soos voorheen genoem, bied Sunridge nie beurse aan of koop spelers om ons spanne of akademiese en kultuurafdelings te versterk nie. Ons rig af en onderrig wat tot ons beskikking is – en ons doen dit al jare lank. Wen of verloor bepaal nie hoe **goed 'n skool is nie. Waardes en etos is die sleutel** – dit voorsien geleenthede en ontwikkelingsmoontlikhede vir kinders sowel as onderwysers.

Ek was verstom om te sien hoe “werwers” by laerskoolaktiwiteite beurse en wie weet wat nog aanbied. Om tussen skole te beweeg en talent weg te rokke, is blykbaar die norm, terwyl passie, toewyding, verpligting, ontwikkeling en 'n liefde vir die lewe in die slag gebly het. Lojaliteit, eer, waardes en etiese gedrag kan nie gekoop word nie. Daar is tog seker 'n tyd, plek en rede vir aanbiedings aan minderbevoorregtes of om basiese geleenthede aan te bied waar daar 'n tekort is.

Ons skep geleenthede en in die volgende paar weke sal ons grootskaalse deelname van ons jongmense sien – moet asseblief nie A-spanne, 1ste spanne of oorwinnings as sleutel verwag nie. Ons sal soveel spelers as moontlik kies om deel te neem - **ons sal nie 'n span laai of net die sogenaamde beste spelers kies nie. Ons sal wel vir ligawedstryde en derbydae A-spanne, B-spanne, ens. kies.**

Vanuit hierdie oogpunt het ons daarin geslaag om oor die jare op onder 12A-, 13A- en 14A-vlak mee te ding, en ook meer onlangs het ons op onder 9A-, 10A- en 11A-vlak **as gevolg van 'n ontwikkelingstrategie sukses behaal. Tuis kan ma of pa ook help om fisiese en geestelike plesier sonder druk te bewerkstellig deur balle vir mekaar te gooi, speletjies te speel, te sing, te hardloop ens.**

In sommige sport- **en kultuurkodes kan en mag ons ouderdomsgroepe kombineer en indien 'n knap jong speler beter as 'n onder 14-speler is, is dit nou maar tot daarnatoe.** Aan die einde van die dag sal die geleentheid bestaan vir almal om deel te neem. Die verwagtinge vir A-spandeele vir onder 7 tot 11 kan nie altyd realiseer nie, want die enigste uitgemaakte saak is ons senior spanne, naamlik onder 14A, 13A en 12A, asook die 1ste tennisspan, skoolswemspan en die atletiekspan. Hierdie spanne is ons vlagskip wat ons op die volgende en hoogste vlak moet verteenwoordig, terwyl die ander nog afrigting ontvang en ontwikkel.

Doen jou bes – **dit is altyd goed genoeg. Wen is nie alles nie en ook nie 'n kulturele vaardigheid nie. Kom ons handhaaf hoë morele waardes en ondersteun op 'n positiewe wyse, want ons werk met jong kinders. Laat die afrigters toe om af te rig, laat hulle die druk toepas en verantwoordelikheid neem, terwyl ons net ondersteun en ons verheug oor die feit dat ons kinders geleenthede gebied word, en dat hulle liefde en sorg ontvang.**

'n Driekuns in OP Super 12-rugby, nommer een in metro-netbal, oorwinnings oor tradisionele hokkieskole, redenaars, musikante, instrumentele en orkesuitblinkers – dit alles kom neer op 'n sport- en kultuurstelsel wat ons oor die afgelope tien jaar in die mededingende omgewing gevestig het.

Die lewe is 'n reis – geniet elke oomblik!

Early Life: I was born in East London where I attended Stirling Primary School. My family then moved to Port Elizabeth when I was 13. I went to Alexander Road High School which I thoroughly enjoyed. After high school I went to UPE and studied B Prim Ed.

Family Life: I am very lucky to have my parents in Port Elizabeth so I see them often. I have been married to Glenn for 15 years and we have two children, Rylee who is in grade 9 and Cole who is in grade 6. Glenn and I went to high school together and have been friends since we were 14.

Career Life: After university I was a supply teacher in London for 2 and a half years. I taught at many different schools in many different grades. When I came back to South Africa I got a job at Sunridge and have been here ever since. I studied Remedial Education part time when I came back to South Africa.

Accomplishments: My family is my greatest accomplishment. I am very proud of my children and the people that they are growing up to be.

Interesting facts about yourself: I enjoy jogging and spending time with friends and family. A few years ago I competed in an event called Drylands Traverse. It is a 4 day stage race running through the Swartberg Pass and was totally out of my comfort zone. I enjoyed it so much that I went back and did it two more times.

Please answer the following questions:

- 1. What was your favourite TV show when growing up?** Rags to riches.
- 2. Do you have any strange phobias?** I really don't like frogs!
- 3. Are you addicted to any strange hobbies/activities?** My family says it is scrolling on Instagram but I don't really agree 😊
- 4. If you could have any one superpower, which would you choose?** Flight, then I could visit any place on earth.

- 6. What was the worst punishment you received in school?** I was a bit of a "rule follower" so I only remember getting writing out for not completing my homework.
- 7. What, or who, are you a secret fan of?** A REALLY good book
- 8. What are the three things you still want to do in your life?** Buy a camper van, see a bit more of the world and complete a few more half marathons.
- 9. What is the worst pet you have ever had?** A hamster called Nibbles that bit everyone.
- 10. What do you prefer?** **A. Beach** or Bush **B. Braai** or Pizza **C. Winter** or **Summer** **D. Movies** or Series

Early Life: I was born in Port Elizabeth, moved to Grahamstown for a year when I was 2 and then moved back to good old Port Elizabeth.

Family Life: I am married to Gregg and we have two wonderful daughters who are both in high school. Hannah is 16 and Rebecca is 14. I come from a family of teachers as both my parents were teachers and my grandparents were music teachers.

Career Life: I completed my Foundation Phase teaching degree at UPE, after which I studied remedial for a further year. Thereafter I moved to London and taught in various schools around the city as well as worked for a family with a special needs son. I then moved back to Port Elizabeth and started my teaching career at Sunridge in 2004.

Accomplishments: I must say raising two girls is no easy task. They keep me on my toes and I thoroughly enjoy watching them grow from strength to strength. I achieved the Golden Key award for academics at university and graduated with a cum laude. I received the matric music trophy and honours blazer for trumpet. I completed my Grade 8 Royals School trumpet exam with distinction as well as completing my Grade 8 Piano. In Grade 10 I was selected for the South African National Youth Jazz band to tour Atlanta USA.

Interesting facts about yourself: I am proud of my family heritage. My one great grandfather was the Professor of music at the Music Conservatoire in Stellenbosch after which the main auditorium was named after him and my other great-great-grandfather was the first Reverend of St Marys Church off Main Street along with building and owning No. 7 Castle Hill in Central.
